

SPONSORSHIP OPPORTUNITIES

The New England Council Rising Stars Network is dedicated to harnessing the emerging talent of young professionals across New England with a mission to connect, empower, and elevate young leaders, forging lasting relationships and driving career growth while enriching our regional landscape.

The New England Council's Rising Stars Network is seeking sponsors to support the initiative's programming in 2025. As a 2025 Rising Stars series sponsor, you will be recognized as a sponsor at programming throughout the year and will help ensure the continued growth and success of this popular new program.

About the Rising Stars Network

Rising Stars Network aims to build a vibrant community that brings together young professionals from our members' various industries and backgrounds. Rising Stars Network programming includes networking receptions, "Guiding Stars" mentorship roundtables, professional development sessions, and meetings with elected officials. Our primary objectives are to:

- **Forge Valuable Connections:** Our events open doors to connections that can lead to new career paths, mentorship, and personal growth, anchoring top-tier talent within New England.
- **Celebrate Diversity and Inclusion:** Embracing diversity is key. The Rising Stars Network ensures events welcome a wide range of young professionals from member companies, knowing that different perspectives lead to innovation and teamwork.
- **Unlock Resources:** Our events offer resources like career tips, and the latest industry news to keep members informed and ready for new opportunities.

Benefits of Sponsorship

Rising Stars sponsors will receive a slew of benefits, including:

- Listing with logo on website, event-related emails, social media promotion, and event signage.
- Recognition during speaking program.
- Speaking opportunity for organization representative.
