Congressional Staff Briefing on Advanced Manufacturing in New England – March 26, 2015

*NEC Advanced Manufacturing Working Group members invited to
join Congressional staff at Washington D.C. event*

As a part of the roll-out of our new report, *Advanced to Advantageous: The Case for New England's Manufacturing Revolution*, The New England Council's Advanced Manufacturing Working Group wants to ensure our Congressional offices from all six states are aware of our findings and key recommendations, and engaged in a collaborative effort moving forward.

As such, please join on Thursday, March 26th in Washington, D.C., for a Congressional staff briefing as we present the report to New England delegation Congressional staff. The briefing will feature a presentation of the report from Deloitte as well as a discussion of how Congressional offices can help drive advanced manufacturing across the region. Staff members from all 33 New England Congressional offices have been invited to participate. This event is taking place as part of the NEC Annual Spring Event in Washington.

Congressional Staff Briefing – Advanced Manufacturing in New England

Thursday, March 26, 2015

12:30 – 2:00 p.m.

Russell Senate Office Building, Room 385 (SR-385)

Washington, D.C. 20510

If you are able to join us, please RSVP for the briefing [here](#). Additionally, if you

would like to attend the Council's Annual Spring Event and still need to register, you may do so [here](#). And of course, if you have any questions, please let me know. We hope to see as many of you as possible in DC.

All the best,

Chris

PS – You will receive additional information in the coming days regarding a full public rollout for the report at an event in Boston, followed by events in each of the six states over the coming months.
