## Advanced Manufacturing Working Group Meeting Materials

Dear Advanced Manufacturing Working Group Member –

Please find attached copies of the materials discussed during last week's meeting at Deloitte's Boston office, as well as a summary of the meeting with a list of participants. If you have any questions, please feel free to be in touch. And please be in touch with any comments and suggestions on the action plan – I have CC'd the folks at Deloitte here so that you can reach out to them as well.

As a reminder, we are continuing to interview individuals for the report; if you or your organization has yet to speak with myself or someone from Deloitte, and would like to be interviewed, please let me know.

Thank you, and happy holidays!

Best,

Chris
