

## Committee Update

---

May 13, 2015

Dear NEC Transportation Committee Member:

I am forwarding information (below) regarding a conference call opportunity for you to hear directly from U.S. Secretary of Transportation Anthony Foxx tomorrow at 1:30 pm. Secretary Foxx will discuss the current status of America's surface transportation law and the need to reauthorize federal highway, transit, and safety programs before the law expires at the end of this month.

If you would like to participate, please click on the links as provided. If you have any questions or if you have any issues signing up, please let me know.

Thank you!

Peter
